About the retreat leader,...

Christopher Snook, BA (Vind), MA (McMaster), MA (Concordia)

Christopher Snook is a Senior Fellow in the Foundation Year Program and currently serves as the program's Associate Director, Academic. He holds graduate degrees in English and Theology with a special interest in modernism, religion, and poetry. His interest in poetry includes his own writing practice. Christopher's poems have appeared in Canadian, American, and Australian journals,

including the Literary Review of Canada and the Cordite Review. His first collection, *Tantramar Vespers*, was published in 2018. Christopher's passion for Elvis Presley tribute artists is, he suspects, entirely unique among Foundation Year Program faculty.
